

'Kiwi System for Restaurant' - Now with Integrated Payment Processing

Save Time & Reduce Errors

Stop entering payment information into separate systems.

Save Money

End costly chargebacks and fraud incidents.

Receive Daily Reports

Easily match-up payments with your bank.

"PPI helped us create an integrated payment solution for Kiwi. Their experts understand credit card processing and are available whenever our customers need assistance. Banks usually don't have that kind of support, but PPI does."

Liza Si Tou, Director
Kiwi Operation, Inc.

The very best integrated payment solution for the restaurant industry.

With the PPI solution, Kiwi System for Restaurant receives credit card information directly for easy, one-step payment processing. PPI gives you one resource for everything you need:

€ Excellent Payment Technology

Our solution streamlines your restaurant's operations and quickly pays for itself. PPI experts set up your system, so you're up and running quickly – and with a system you can trust.

€ Technical Support

Whenever you need help with your credit-card processing, just call PPI's free, unlimited help desk. They're available 24 hours-a-day, 365 days-a-year.

€ Better-than-Bank Merchant Services

An integrated payment solution needs technology expertise that most banks just can't offer. With PPI, you get all the support you need - including affordable merchant services - without changing bank accounts.

**Save Time. Save Money.
Gain Simplicity.**
